

Specially engineered for schools, the **SchoolTech Phone Locker** safeguards students' devices, promoting a focus-rich environment for optimal learning.

## Phone Locker 40 schooltech

SchoolTech Phone Locker 40 is designed for maximum efficiency and security in educational settings. It's the perfect solution for schools adhering to phone-free learning environments.

- **40 Individual Phone Slots with Numbering:** Ample space for storing devices for classroom or tutorial groups, each with a unique number for ease of identification.
- **Unique Numbering for Devices:** Each student can be assigned a unique slot for their phone, simplifying device management.
- **Compact & Sturdy Steel Design:** Guarantees durability and longevity, perfectly suited for a school environment.
- **Swipe Card Access or Traditional Lock:** Each locker comes with programmed swipe cards for secure access. Lockers can also be fitted with a standard lock for simplicity.
- **Designed for Classroom Phone Bans:** Specifically built to aid in maintaining a distraction-free learning environment.
- **2-year Locker Warranty:** Extended warranty for the locker cabinet ensures peace of mind.
